Whatever remains of the large loads processed firewood at the time of possession will be included.

Lovely acreage situated on a quiet dead end road just a few minutes North of Manning. As soon as you enter this home you will notice the spacious kitchen which is well set up and complete with large pantry and ample counter tops. The kitchen opens up to a great shared dining and living space perfect for large gatherings with family and friends! Complete with large windows to let the sunlight flow in and newer wood stove to warm the space on those colder winter nights. There are 2 bedrooms and a full bathroom on the main level. In the basement you will find a second bathroom with another large bedroom which could easily be divided into 2 bedrooms. The main area in the basement is partially finished with enough space for a second family room. There is also a spacious shared laundry and furnace room with room for additional storage. The home is complete with high efficiency furnace. The yard outside is nicely set up with a U shaped driveway, screened in gazebo so you BBQ and can gather outside without the bugs, garden and green house. There are also 2 large dugouts, sheds and a large tarp shed for additional storage. Check out the 360 media tour available in the media section! Floor plans coming soon!
